HOW ENLIGHTEN AI ROUTING TRANSFORMS CUSTOMER EXPERIENCE

- Upgrade to smarter connections** The solution’s AI uses all available data sources to predict the best connection and improve outcomes
- Hyper-personalize CX at scale** Transform connections with every caller while machine learning and AI continuously improve for future interactions
- Realize immediate business results** Flex your focus on the metrics that matter by optimizing different metrics across your enterprise
- It’s easy to get started** Unique commercial terms with no upfront costs, a true A/B comparison

HOW ENLIGHTEN AI ROUTING WORKS

- STEP 1** When a customer calls, the CXone ACD identifies the skilled pool of agents to handle the call.
- STEP 2** Enlighten AI Routing looks up the customer’s communication style and experience preferences.
- STEP 3** Identifies the skilled agent with the best predicted performance for the customer.
- STEP 4** Instructs the CXone ACD to route the customer to the agent, improving their experience and business outcome.
